

JEFF STUMP: 1982

**BFS H.S. Athlete
of the Year**

Jeff Stump Cleans 255 Easily!

Jeff has great lateral movement and brings down running backs from sideline to sideline.

Jeff is from Waverly High School in Lansing, Michigan. Coach Ron Fandrick invited me to Lansing for a clinic. The following year Waverly High School enjoyed their best season in eight years. Jeff Stump played a big role in that season.

Jeff is the third annual recipient of the BFS High School Athlete of the Year award. previous winners were Tom Southall from Colorado and Scott Runyan from New Mexico. The award is determined on progression made through weight training, academics, character and athletic achievement. Jeff Stump is most worthy.

Here is Jeff's progression:

	Ht.	Wt.	40	Bench	Squat	Clean	Dead Lift
Freshman	5-10	175	5.5	165	225	135	300
Sophomore	6-0	200	5.4	210	300	190	375
Junior	6-2	235	5.3	285	395	225	480
Senior	6-3	255	4.9	360	500	270	600

Jeff is a 3.0 student and believes your mind is the key to success. His coach, Ron Fandrick, is proud of Jeff. "He has remained humble and has not let all these honors go to his head," states Coach Fandrick. Surely Jeff Stump will be successful not only in football but throughout his life as well. Congratulations to Jeff, coach Fandrick and Waverly High School.

Coaches we love to hear about your outstanding athletes. We will feature as many as we can in future BFS Journals.
