READINESS PROGRAM

RECORD BOOK AND VIDEO

THE BFS READINESS PROGRAM

Our BFS Readiness Program has met with great success for four full years. This pioneering program emphasizes the importance of Great Technique. In fact, you cannot increase in weight until the athletes perform every rep with the approved technique guidelines. This prevents excessive loads from being placed on young frames. An easy way to get an edge on your opponents in high school is to prepare and motivate the junior high athlete. The BFS Readiness Program does just that! Each athlete should have the Record Book and see the Video. It will help a class, or an individual, visually understand what to do.
